FORM AND EXTENSION OF THE THESIS

+ It will have a maximum length of 120 letter-size pages (including footnotes, bibliographical references, index and possible annexes), in Times New Roman font size 12, single and half spaced, standard pagination, including bibliography, with American quotation [for example: (Archetti, 2003:198)].

++ Works that exceed the planned length will not be considered. In the event that the length of the original master's degree thesis is longer than that specified here, the author must revise the version and make the necessary reduction adjustments. Likewise, contestants may make any modifications they consider, including the incorporation of comments and/or suggestions made by the thesis director and/or jury.

+++ The thesis should be sent in digital format in a file with PDF extension to: *premio.archetti@gmail.com*
The body of the e-mail will contain the following information: Pseudonym, Surname and name of the contestant, Degree obtained, Title of the work, Date of defence of the thesis, Institution where it was presented (including country and city), Name and surname of the director of the thesis, E-mail address of the author.

++++ The digital file should not contain the real name of the author or the director or the institution where the thesis was presented and preferably without acknowledgements or any type of data that would annul the anonymity. The name of the file must be the chosen pseudonym.
